Introduction

Karalius Brothers (Waste) Ltd., is a family run business based in the North West of England with a heritage spanning over 50 years in Scrap Metal Recycling. In this time our customer base has grown to include companies of all sizes, ranging from small scale engineering companies up to and including household names in the nuclear, automotive, petrochemical and civil engineering sectors.

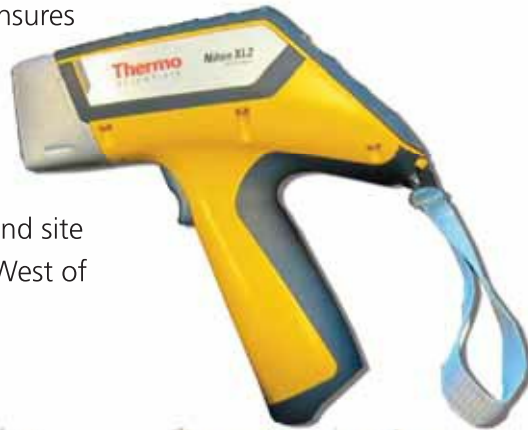

In the intervening years since the company was founded, an ongoing evolutionary process has been in progress, ensuring that full regulatory compliance and industry best practice are maintained at all times. In doing so Karalius Brothers (Waste) Limited is able to best serve all its customers both large and small.

Services

Karalius Brothers (waste) Limited buy and sell ferrous metals, non-ferrous metals and precious metals.

Our on-site metals analysis service ensures that even complex alloys and rare earth products can be correctly identified and the best prices subsequently offered in exchange.

We also offer skip hire, demolition and site clearance services across the North West of England and North Wales.

Licensing

Karalius Brothers (Waste) Limited is a fully licenced materials recycling company, regulated and inspected by the Environment Agency. As well as being a licenced waste carrier, we are able to offer a brokerage service enabling third party haulage companies to carry recyclable materials to our premises on our customer's behalf. Copies of our licences are available on request.

Legislation

Recently, legislation has been passed prohibiting cash payments for scrap metal (Scrap Metal Dealers Act 2013). This effectively changed the way the industry has done business since its earliest beginnings.

As with any and all other regulatory or legislative changes, Karalius Brothers (Waste) Limited, took all necessary steps to keep pace with the demands the new restrictions on cash have placed on the industry.

At Karalius Brothers (Waste) Limited, we believe in offering our customers choices and as such are able to provide payments by a wide range of fully compliant methods including, cheque, bank transfer and our very own Pre-Pay Chip & Pin Mastercard.

With our Pre-Pay card you can get instant access to your cash via a high street bank cash machine, there are no forms to fill in and subject to providing the correct ID; acceptance is guaranteed!

Skip Hire

We offer a fast and reliable skip hire service covering all areas of the North West. Our containers range from 16 to 40 yard capacity, roll on/offers. Scrap Metal Skips are supplied **FREE OF CHARGE**
